1. Recently, when you watched the *Dadinho de Tapioca* video recipe, the narrator said she was going to “eyeball” the ingredients. What did she mean by that? Write your ideas.

2. Now, you are going to play a game called “The Eyeballing Game”. It tests your perception of space, some level of mathematical knowledge, and, most notably, your ability to, of course, *eyeball* the solutions.

Click on the link below and **play the game twice**. Each round has 3 tries at the same sequence of challenges.

**Paste a screenshot** of your scores on each round.
